## NEW WESTMINSTER CITY BY-LAWS.

### DISTRICT TELEGRAPH BY-LAW, 1892.

*A By-Law granting the right and privilege of erecting, constructing, maintaining and operating a District Telegraph System in the City of New Westminster, Province of British Columbia, to the under-mentioned British Columbia District Telegraph and Delivery Company, Limited Liability.*

THE Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. That the said British Columbia District Telegraph and Delivery Company, Limited Liability, and their assigns, hereinafter called the grantees, be and they are hereby granted for the period of thirty years, the right and privilege of erecting, constructing, and maintaining, and operating, and using in, along and over and under any and all the streets of the City of New Westminster what is known as the District Telegraph system.

2. The said grantees shall have the right to and shall erect the poles and stretch the wires of their said telegraph system so as not to interfere with the free and unobstructed use of the streets, and place the wires of their telegraph at such points and at such height as shall be designated by the Board of Works of the city. Said poles shall be dressed and painted in a neat and satisfactory manner, and shall not be less than thirty (30) feet in height and properly proportioned throughout, subject to the direction and control of the Board of Works of said city.

3. Whenever it shall become necessary for the erection or repair of such telegraph for said grantees to dig into or in any manner interfere with any public street, or any part thereof, the grantees and their assigns shall have the right, upon application in writing to the City Council, and leave having been granted so to do by the said Council, and shall without delay put the street in as good condition as it was before it was so broken up, dug or disturbed, and shall remove from the street all surplus sand, earth, rubbish and other material caused thereby.

4. Whenever any person or persons, company or corporation, shall have obtained permission of the Council to remove any building, structure or edifice through any street or streets of said City of New Westminster with which the lines or wires of the grantees shall in any manner interfere, the said grantees shall, upon twenty-four hours' notice from such person or persons, company or corporation, raise or remove said lines or wires so as to allow free and unobstructed passage of any such building, structure or edifice; and if the said grantees shall neglect or refuse upon such notice to remove or raise such line or lines, such line or lines shall be removed or raised by the Council at the expense of the said grantees, so as to admit of the free passage of such building, or edifice, or structure.

5. Whenever it shall be necessary in grading any street or alley of said city, or in building any sidewalk, or making any other improvement thereon, to remove any pole or poles belonging to said grantees, or on which any line or lines, wire or wires, belonging to said grantees shall be stretched or fastened, the said grantees shall, upon receiving 24 hours' notice from the contractor or other person having charge of such grading or other improvement, remove such pole or poles, and if said grantees, upon such notice, shall neglect or refuse to remove such pole or poles, then such pole or poles shall be removed by the Board of Works at the expense of said grantees.

6. It shall not be lawful for any person, unless authorized by said grantees, to interfere, meddle with, injure or remove any of the telegraph poles, wires, boxes or apparatus belonging or appertaining to said telegraph system: Provided, however, that the poles and other apparatus of said grantees may be removed in the manner provided in section 5 hereof.

7. The said grantees hereby agree and covenant to indemnify the Corporation of the City of New Westminster from any injury arising from, or any casualty or accident to person or property by reason of any neglect or omission to keep said poles and wires in a safe condition, and for all valid claims against said city for damage caused by said poles or wires, or by any works, alterations, repairs or improvements in connection with the works herein contemplated.

8. The Corporation of the City of New Westminster reserves the right to repeal or amend this by-law whenever in the judgment of the Council of the said

city an amendment or repeal is necessary, having due regard, however, for the vested rights of the parties hereunder.

9. In the construction of the works herein contemplated the said grantees shall, when so directed by the Council, use the poles in the principal streets of the city at present used by the city for the electric light, so far as possible, so as to avoid the erection of any additional poles on said streets, and shall make such compensation therefor as shall be agreed upon.

10. The said company shall file the acceptance of the conditions hereof and commence the work of construction within six months from the date of the approval hereof, otherwise this by-law shall be null and void.

11. This by-law shall take effect and be of force upon the filing of said acceptance, and from and after the same shall have been published for seven days.

12. The grantees shall, whenever ordered by the Corporation of the City of New Westminster, place

their wires underground, and in respect of removing and so placing of their wires underground shall have no claim upon the Corporation in respect of vested rights or otherwise: Provided, however, that said Corporation shall not so order said grantees unless a general order to the same effect be issued to other persons or companies having overhead wires in the streets of said city.

13. Nothing herein contained shall be taken or construed as giving exclusive rights to the grantees, or as operating to prevent the Corporation of the City of New Westminster granting similar and concurrent rights and privileges to any other persons or companies.

14. This by-law shall be cited as the "District Telegraph By-Law, 1892."

Done and finally passed in open Council the 21st day of March, 1892.

The said Municipality shall be called and known by the name and style of "The Corporation of the Township of Richmond."

The said Municipality shall comprise all that piece or parcel of land hereinbefore described.

The Council shall consist of five Councillors and a Reeve, and the whole number present at each meeting thereof shall not be less than four.

The nomination shall take place, and the poll (if any) shall be held at the Town Hall, Richmond.

At the close of the time for nominating the candidates the Returning Officer shall deliver to every candidate, or agent of a candidate, applying for the same, a duly certified list of the names of the several candidates who shall have been nominated; and any votes given at the election for any other candidates than those so nominated shall be null and void.

If, at the expiration of the time appointed for the election as aforesaid, no more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall forthwith declare the candidates who may stand nominated to be elected, and return their names to the Registrar of the Supreme Court.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination day by the Returning Officer.

If, at the expiration of such time, more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall declare the names of the candidates, and publicly proclaim the day previously stated in his proclamation, and the place or places at which the poll shall be so opened in the Municipality, or in each polling place

And in the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected: Provided that the said Returning Officer shall not vote except in the case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the candidates in equal proportion; such expenses shall not exceed in the whole one hundred dollars.

The opening of the ballot boxes and counting the votes shall be in the presence of the candidates if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Municipal Councillor or Reeve, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the Municipal Revenue; such sum, with costs, shall be recoverable by the Clerk of the Municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Reeve or Councillor shall be filled as provided by the "Municipal Act, 1891."

The first meeting of the Council shall be held on the first Saturday after the day of election, at the Town Hall, Richmond, at 12 o'clock noon.
